Product Information

Are your products handmade?

Yes! Many of our jewelry pieces are carefully handcrafted, which makes each piece unique. Slight variations in design, color, and finish are natural and add to the charm of handmade jewelry.

Why does the product look different from the photos?

We make every effort to photograph our products accurately. However, slight color variations may occur due to:

- Different screen settings and brightness levels
- Indoor vs. outdoor lighting
- Camera and photography conditions

These minor differences do not qualify for returns or exchanges.

Do you restock sold-out items?

We try our best to restock popular items! Follow us on Instagram or check our website regularly for restocks and new arrivals. You can also DM us to inquire about specific items.

Can I request custom or personalized jewelry?

We occasionally take custom orders depending on our current workload. Please reach out via Instagram DM with your requirements, and we'll let you know if we can accommodate your request.

How do I care for my Jazzy Things jewelry?

To keep your jewelry looking beautiful:

- Store in a dry, cool place away from direct sunlight
- Keep away from water, perfumes, lotions, and cosmetics
- Remove jewelry before bathing, swimming, or exercising
- Clean gently with a soft, dry cloth after each use
- Store pieces separately to prevent scratching
